DRAINAGE EASEMENT ENCROACHMENT AGREEMENT

THIS AGREEMENT entered into as of the 5th day of December, 2017.

between Tilsworth, Todd M & Julie J, ("Owner"),

whose mailing address is 8509 Cape Cod Circle, Evansville, IN 47725

with notices sent to _____,

Attn: _____; and VANDERBURGH COUNTY,

INDIANA, by and through the Vanderburgh County Drainage Board ("County"),

WITNESSETH, That:

FOR AND IN CONSIDERATION of the sum of Ten Dollars (\$10.00), in hand paid, the receipt and sufficiency of which is hereby acknowledged and the mutual promises contained herein, the parties agree as follows:

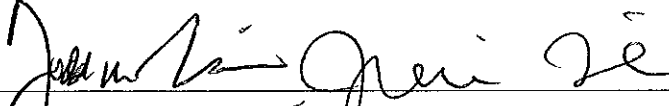

1. Owner is the fee simple owner of the real estate ("Real Estate") situated in Vanderburgh County, Indiana, more particularly described on **Exhibit A**, attached hereto and adopted by reference herein. Owner agrees that it will not convey the property shown on **Exhibit A** until this instrument is recorded in the Office of the Vanderburgh County Recorder.
2. A recorded drainage easement ("Easement") exists on the Real Estate, as shown on **Exhibit B**, attached hereto and adopted by reference herein.
3. In order to develop the Real Estate, Owner desires to encroach on the Easement with certain improvements and construction ("Construction"), more particularly described and shown on **Exhibit C**, attached hereto and adopted by reference herein.
4. The Construction shall be undertaken, completed and at all times maintained by Owner in a good and workmanlike manner, using sound engineering, construction and maintenance techniques and practices, strictly as described herein and in the location shown herein, and so as not to impede, impair, obstruct, damage or interfere with surface water drainage or drainage facilities within and along the Easement or the use of the Easement for public utility purposes. Owner shall apply for and obtain, at its sole cost and expense, all necessary federal, state and/or local permits necessary to commence the Construction.

5. Owner, its successors and assigns, agree to indemnify, defend and hold harmless Vanderburgh County, its Drainage Board and its Members, employees, agents and assigns for any liability which may be incurred by them as a result of the approval, preparation and execution of this AGREEMENT, and the subsequent design, construction, use and maintenance by Owner, its successors and assigns, or County of the encroachment area described in **Exhibit C** and any pipes or structures installed or to be installed in the drainage easement. County expressly reserves the right to require Owner, at its sole cost and expense, to remove the Construction, upon thirty (30) days written notice to Owner at its address in the event County determines that the Construction either: (1) has not been constructed or maintained strictly in accordance with this Agreement; (2) is impeding, impairing, obstructing, damaging or interfering with surface water drainage or drainage facilities within and along the Easement; or (3) is so interfering with the use of the Easement for public utility purposes. In the event Owner fails to comply with County's notice and direction in a timely manner, owner grants to County the express right to enter upon the Real Estate and the County and or its agents may remove the Construction and any other structures placed upon the Easement at Owner's sole cost and expense. Should owner fail to pay the County's costs in removing the Construction and any other structures placed upon the Easement within sixty (60) days of written notice to Owner for payment, the County shall have the right to record a lien against the Real Estate for the unpaid costs associated with the County's removal of the Construction and any other structures from the Easement located upon the Real Estate.
6. (This clause has been removed)

7. This Agreement shall remain in effect for the duration of the encroachment unless sooner terminated by the County, upon thirty (30) days written notice to Owner at its address due to the failure of Owner to comply with any provision hereof. The provisions of this Agreement shall be deemed covenants running with the title to the Real Estate and shall be binding on and inure to the benefit of the parties and their respective successors and assigns.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.
