### MAINTENANCE & REPAIR OF STORM WATER DRAINAGE SYSTEM

The Cambridge Lot Owners' Association shall be responsible, including financially, for the maintenance and repair of the entire storm water drainage system, its parts, and easements within or attached to this subdivision and outside of county accepted road rights-of-way.

The Golf Course Owner shall be responsible, including financially, for the maintenance and repair of the entire storm water drainage system, its parts, and easements within the Golf Course proper.

The Responsibilities of both entities shall include:

- Moving grass, controlling weeds, and maintaining the designed cover of the waterways, storage basins, and easements in accordance with applicable ordinances.
- Keeping all parts of the storm water drainage system operating at all times as designed and as constructed; and free of all trash, debris, and obstructions to the flow of water.
- Keeping the channels, embankments, shorelines, and bottoms of waterways and basins free of all erosion and sedimentation.
- Maintaining and repairing the storm water drainage system in accordance with the conditions described on the approved street and/or drainage plans on file in the County Surveyor's Office, and/or the County Engineer's Office, and in compliance with the County Drainage Ordinance.
- Preventing all persons or parties from causing any unauthorized alterations, obstructions, or detrimental actions from occurring to any part of the storm water drainage system and easements within or attached to this subdivision.
- NOTICE: Any pipe, fence, wall, building, pool, patio, planting, stored material, excavation, fill, or other construction, improvement, addition to, or alteration of the land within a drainage easement in this subdivision requires the prior written approval of the County Drainage Board.
- In the event that the lot owners' association ceases to exist, the responsibility for maintenance and repair of the storm water drainage system and facilities outside of county accepted road rights-of-way within a subdivision's boundaries, together with any off-site facilities housed within easements, shall remain with the individual lot owner on whose property these facilities lie.
