

GENERAL NOTES

Flood Plain Data: The subject property is not located in Special Flood Hazard Zone "A" as shown on Flood Insurance Rate Map (FIRM) Panel No. 180258 0050 B, dated March 19, 1982. However, buildings placed on the lots within this subdivision will be subject to Minimum First Floor (MFF) elevations to be determined by the Building Commissioner of Vanderburgh County according to the Floodplain Management Ordinance. At the time of recording of this plat, the Building Commissioner has determined the MFF elevation to be 390.00'. Prior to the placement of any structures on lots within this subdivision, the Building Commissioner's office must be contacted to confirm that the "MFF" shown has not been modified based on new or updated hydraulic information. Actual first floor elevations may need to be higher in order to provide proper drainage around the structure. Erosion Control: The Developer, Development Contractors, Builders and all Lot Owners or anyone working with or disturbed earth shall comply with the "Erosion Control Plan" and any amendments as filed with the County Drainage Board and the Soil and Water Conservation District, and with all Federal, State and Local erosion control laws. Temporary Erosion Control: (during construction) Slopes of 0% to 6% shall be mulched and seeded with a cover crop, 1/4", 1/2", 3/4", 1", 1 1/2", or 2" deep, within forty-five (45) days of disturbance of soil which must remain in place until final grading and shaping. Slopes of more than 6% shall be mulched and seeded and shall have straw bales and/or erosion blankets in place within five (5) days of disturbance of soil which must remain in place until final grading and seeding.

Erosion Control for Ditches:

Slopes of 0% to 1% shall be seeded and mulched within 45 days of disturbance. Slopes of 1% to 6% shall be sodded or stabilized with an erosion control mat at completion of ditch grading. Slopes over 6% require riprap or other approved stabilization at completion of ditch grading if the total ditch length at that point is greater than 100 feet.

Basements: Any basement must be approved by the Vanderburgh County Building Commission.

Property Corner Markers: All corners not already marked will be marked with a 5/8" diameter iron rod with plastic cap stamped "Morley & Assoc. ID #0023".

Utilities: Municipal water exists on the south side of Columbia St. and is available to be extended to lots within the subdivision. Sanitary sewer is located on the 3 proposed lots.

SANITARY SEWERS WERE ACCEPTED ON 06-06-2006 AND WATER LINES WERE ACCEPTED ON 12-12-2006 BY THE BOARD OF DIRECTORS OF THE EVANSVILLE WATER & SEWER UTILITY.

Secondary Plat complies with the Ordinance and is released for Recording.

CROSS POINTE SECTION 7E

AREA PLAN COMMISSION CERTIFICATE

Under the authority provided by the Acts of 1981, Public Law #309, and enacted by the General Assembly of the State of Indiana, proper notice was given that this plat has been given PRIMARY APPROVAL by the AREA PLAN COMMISSION OF EVANSVILLE AND VANDERBURGH COUNTY at a meeting held on June 8, 2007.

OWNERS CERTIFICATE

The undersigned owners of the real estate shown and described hereon do hereby plot and subdivide said real estate as shown and designate the same as Cross Pointe Section 7E. All additional right-of-way shown and not previously dedicated are hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and marked "P.U.E." (Public Utility Easement), are hereby dedicated to public utilities for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities shall be located within said areas of land and any fence located within said areas of land is subject to removal by a public utility without liability in the use of said easements by said utility.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision to and from said easements for necessary construction, maintenance or reconstruction.
