# RIVERWIND POINTE SUBDIVISION - - - - - PHASE ONE

## OWNER'S CERTIFICATE

The undersigned Owner(s) of the real estate shown and described hereon do(es) hereby plat and subdivide said real estate as shown and designates the same as RIVERWIND POINTE SUBDIVISION, PHASE ONE. All roads shown and not previously dedicated are hereby dedicated to public use.

Strips of ground, of the width shown on this Plat and marked "Public Utility Easement" are hereby dedicated for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities shall be erected within said strips of land and any fence located within said strips of land is subject to removal by a public utility without liability in the use of said easements by said utility.

Strips of ground marked "Drainage Easements" are dedicated for surface water and/or subsurface water drainage, provided however, that public utilities are hereby permitted to cross such drainage easements with utility facilities and provided that such facilities are not placed in such manner as to impede the flow of water, and further provided that such drainage easements may be used for ingress and egress and temporary staging areas for work by public utilities.

Strips of ground marked "Public Utility and Drainage Easements" are dedicated for surface and/or subsurface water drainage in addition to public utilities; provided, however, that no above ground parts of such utility facilities shall be placed within the banks of drainage ditches, or swales, in such a manner as to impede the flow of water.

Areas of land marked "Lake Maintenance and Storm Detention Easement (LM&SDE)" are dedicated for the maintenance of the storm water detention system. The Owner assigns the responsibility for the repair of all storm water drainage systems and facilities outside of the County accepted road rights-of-way to the Riverwind Pointe Lot Owners Association, as provided in Section 1502.02 (Plan A) of the Drainage Ordinance. The individual lot Owners continue to be responsible, financially and otherwise, for maintaining the portions of the storm water drainage system, and specifically the LM&SDE and DE, which exist on their property. (The responsibilities are outlined in General Note #9 - items A-F)

## GENERAL NOTES

- Owner/Development Corporation: Green River Investments, LLC 605 State Street Newburgh, Indiana 47630 (phone 853-7720)
  - Utilities: Water service to be extended to subdivision (City of Evansville). Gas and electric service by SIGECO Sewer service to be extended to the subdivision by the developer. (City of Evansville Sewer)
  - Temporary Erosion Control: Slopes of 0% to 6% shall be mulched and seeded with a cover crop, i.e. rye, red top, or wheat (which will be used for fall planting), within 45 days of disturbance of soil and must remain in place until final grading and shaping.
- Slopes of more than 6% shall have straw bales and /or erosion control blankets in place within 5 days of disturbance of soil and must remain in place until final grading and seeding.

## 4. Erosion Control for Ditches:

Slopes of 0% to 2% shall be mulched and seeded within 45 days of disturbance. Slopes of 2% to 8% shall be mulched and seeded with an erosion control mat at the completion of ditch grading.

Slopes over 8% require rip-rap or other approved stabilization at completion of ditch grading if the total ditch length at that point is greater than 100 feet.

## 5. Soil Classifications:

Wb Weinbach Silt Loam, SCA Sciotoville Silt Loam, 0% to 2% slopes.

## 6. Road Grades: Maximum road grades will not exceed 10%.

All lots shall access interior streets only.

## 8. All monuments set are 5/8" rebar 24" long set flush with the surface with a plastic LS cap inscribed "AES 0002", unless otherwise noted.

## 9. Drainage Facility Maintenance: The individual Lot Owner shall be responsible, financially and otherwise, for maintaining the portion(s) of the storm water drainage system, and specifically the Lake Maintenance & Storm Detention Easement (LM&SDE) and Drainage Easements (DE), which exist on his or her property in working order including:

- "Mowing grass, controlling weeds, and maintaining the designed cover for the waterways, storage basins, and easements in accordance with applicable ordinances.
- "Keeping all parts of the storm water drainage system operating as designed and constructed; and free of all trash, debris, and obstructions or encumbrances.
- "Keeping the channels, embankments, shorelines, and bottoms of waterways and basins free of all erosion and sedimentation, to the flow of water.
- "Maintaining that part of the storm water drainage system which lies on his or her property in accordance with the conditions described on the approved street and/or drainage plans on file in the County Surveyor's Office and/or in the County Engineer's Office, and in compliance with the County Drainage Ordinance.
- "Preventing all persons or parties from causing any unauthorized alterations, obstructions, or detrimental actions from occurring to any part of the storm water drainage system and easement which lies on his or her property.
- "NOTICE: Any pipe, fence, wall, building, pool, patio, planting, stored material, excavation, fill, or other construction, improvement, addition to, or alteration of the land within a drainage easement in this subdivision requires the prior written approval of the County Drainage Board."

FINAL APPROVAL OF STORM DRAINAGE PLANS BY THE VANDERBURGH COUNTY DRAINAGE BOARD APRIL 27, 1998  
SANITARY SEWERS ACCEPTED FOR MAINTENANCE BY EVANSVILLE WATER AND SEWER UTILITY MARCH 9, 1999  
FINAL APPROVAL FOR ROAD CONSTRUCTION PLANS BY VANDERBURGH COUNTY COMMISSIONERS MAY 4, 1998  
ACCEPTED FOR MAINTENANCE: JUNE 1999  
NOTE: REVISED FEBRUARY 28, 2000.

FLOOD PLAIN DATA:  
The proposed subdivision is within zone C (Areas of minimal flooding) as parcel plots by scale on FEMA Flood Insurance Rate Map for Vanderburgh County, Indiana, Community Panel No. 180256 0050 B, Dated: March 19, 1982
