Owner's Certificate

The undersigned owners of the real estate shown and described herein do hereby plat and subdivide said real estate as shown and designate the same as University Shopping Center Section "H". University Drive is a private road maintained by University Shopping Center Inc.

Strips or areas of land, of the dimensions shown on this plat and marked "PUE" (Public Utility Easement), are hereby dedicated for the installation, maintenance, operation, entanglement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities shall be located within said areas of land and any fence located within said areas of land is subject to removal by a public utility, without liability, in the use of said easements by said utility.

Strips or areas of land, of the dimensions shown on this plat and marked "DE" (Drainage Easement), are hereby dedicated for conveyance of surface water and/or subsurface water; provided however, that public utilities are hereby permitted to cross such Drainage Easements with utility facilities provided, that such facilities are not placed in such a manner as to impede the flow of water and further provided that such Drainage Easements may be used for ingress, egress and temporary staging areas for work by public utility so long as any damage caused to the drainage facility is repaired by the utility company. The property owner is responsible for maintenance and erosion control of said easements and shall not place landscaping, earth berms, fences or other obstructions that impede or reduce the flow of water.

Strips or areas of land, of the dimensions shown on this plat and marked "SSE" (Sanitary Sewer Easement), are hereby granted and conveyed unto the City of Evansville Water and Sewer Utility Department a permanent Sanitary Sewer Utility Easement and right-of-way over the real estate for the purpose of granting and facilitating the right to lay, construct, inspect, maintain, operate, repair, alter, relocate, enlarge, rebuild and remove one or more pipelines, transmission media, and all appurtenant and necessary structures, whether above or below the surface, convenient or necessary to transport and otherwise handle sewage, and perform and facilitate such utility services over, along, across, within and upon the Real Estate, together with the right of ingress and egress over the existing roads and entrances to the lands of Grantor to and from said Real Estate in the exercise of the rights herein granted, provided that in the exercise of such rights, the Grantee will, whenever practicable to do so, use regularly established highways or roadways. No paving, buildings, structures, fences, or any other type of improvement or property, either of a permanent or temporary nature, shall be located or maintained over, on or within the Permanent Easement Real Estate, no excavating or grading shall be done over, on or within the Permanent Easement Real Estate which would reduce the coverage of soil over said pipeline or increase the coverage by more than three (3) feet, and no lake or pond shall be constructed within fifteen (15) feet of either side of the Permanent Easement Real Estate measured from the top edge of the bank of any such lake or pond.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision to and from said easements for necessary construction, maintenance or reconstruction.
