OWNERS CERTIFICATE

The undersigned owner of the real estate shown, and described herein, does hereby plat and subdivide said real estate as shown and designates the same as CYPRESS CREEK SUBDIVISION. All roads shown, and not previously dedicated, are hereby dedicated to public use. All "Outlots" shall be maintained by the respective owners of such "Outlot". The entrance landscape easement across lots 21 and 22 shall be reserved by the Association. The private utility easement across lots 21 and 22 shall be reserved by the undersigned owner or its future assigns.

Strips of grounds, of the width shown on this plat and marked "Public Utility Easement", are hereby dedicated for the installation, maintenance, operation, enlargement, and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush, and obstructions. No structures other than such utility facilities shall be erected within said strips of land and any fence located within said strips of land is subject to removal by a public utility without liability in the use of said easements by said utility.

Strips of ground marked "Drainage Easement" are dedicated for surface water and/or subsurface water; provided, however, that public utility facilities are not placed in such a manner as to impede the flow of water and further provided that such drainage easements may be used for ingress and egress and temporary staging areas for work by public utilities.

Strips of ground marked "Public Utility and Drainage Easement" are dedicated for surface and/or subsurface water drainage, in addition to public utilities; provided, however, that no above ground parts of such utility facilities shall be placed within the banks of drainage ditches, or swales, in such a manner as to impede the flow of water.

Individual lot owners shall maintain all easements on their lot. Lot owners shall not construct or place any obstruction within any "Drainage Easement" or "Retention Basin Easement" which shall interfere with the flow of water along said easements. In addition, individual lot owners shall keep all "Drainage Easements" or "Retention Basin Easements" clear of any impediments which may happen to fall or enter therein.
