DATE: September 10, 2001

ACCEPTANCE OF STREET/ROAD IMPROVEMENTS
STONECREEK P.U.D. SEC. 2 - PHASE 1

The undersigned has made an inspection of the subject street[s] and storm drainage (included in the street right-of-way) improvements in August, 2001..

The street[s] were completed in July 2001. The street[s] were constructed with bituminous binder and surface, in accordance with approved plans. The following is a summary of the completed street[s]:

STREET NAME	PAVEMENT WIDTH	R/W	LENGTH LF	MILES
✓ Cayes Drive	29'b/curb	60'	329'	0.06
Granfield Court	Variable	28/40/70	142'	0.03

It is recommended that these street[s] and right of way storm drainage be accepted for maintenance.

If you have any questions, please contact the County Engineering Department.

Respectfully:

Accepted for Maintenance by the Board of
 County Commissioners
