**OWNER'S CERTIFICATE**

The undersigned owner of the real estate shown and described hereon do hereby plat and subdivide said real estate as shown and hereinafter described as **Centerra Ridge, Section 5**. All road right-of-ways shown and not previously dedicated are hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and marked "D.E." (Drainage Easement) are dedicated for conveyance of surface water and/or subsurface water, provided however, that public utilities are hereby permitted to cross said Drainage Easements with utility facilities provided, that such facilities are not placed in such a manner as to impede the flow of water. The property owner is responsible for maintenance and erosion control of said easements and shall not place landscaping, earth berms, fences or other obstructions that impede or reduce the flow of water.

Strips or areas of land, of the dimensions shown on this plat and marked "L.M.&S.D.E." (Lake Maintenance & Storm Drainage Easement) are dedicated for the maintenance of the storm drainage lake and maintenance, and storage of storm water. Any alterations of the land within these easements must have the approval of the Drainage Board. Buildings, structures and fences shall not be located within the Lake Maintenance and Storm Drainage Easement.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision to and from said easements for necessary construction, maintenance or reconstruction.

**Owner & Developer**  
Porterfield Development, LLC  
3638 Citadel Circle  
Newburgh, IN 47630

Strips or areas of land, of the dimensions shown on this plat and marked "E.U.E." (Evansville Water and Sewer Utility Easement), are hereby dedicated to the public water utilities and public sewer utilities for the installation, maintenance, operation enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of said public utility companies, trees, overhanging branches, bushes, underbrush and obstructions. No buildings, structures, fences, electric utilities, gas facilities, telephone utilities, cable television utilities or any other utilities shall be located within said areas of land. However, nothing shall prevent the use of any portion of the easement for utility service connections or crossings by any utility. Any building, structure, fence, electric facilities (except crossings and service connections), cable television facilities (except crossings and service connections), obstructions or encroachments located within said areas of land are subject to removal by the permitted water, sewer, gas and electric utility companies without liability in the use of said easements and the permitted water, sewer, gas and electric utility companies shall not be required to replace, restore or repair any non-permitted feature, obstruction, or encroachment in the use of said easements. Nothing shall prevent the use of any portion of this easement for driveways, parking lots and sidewalks constructed with any type of material or surface and nothing shall prevent the use of any portion of this easement for crossings by storm drainage facilities.
