OWNER'S CERTIFICATE

The undersigned owner of the real estate shown and described hereon do hereby plat and subdivide said real estate as shown and designate the same as **Centerra Ridge, Section 6**. All road rights-of-ways shown and not previously dedicated are hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and marked "P.U.E." (Public Utility Easement), are hereby dedicated to public utilities for the installation, maintenance, operation, engagement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No buildings or similar structures, other than such utility facilities, can be located within said areas of land. Any fence located within said areas of land is subject to removal by a public utility without liability in the use of said easements by said utility.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision and to said easements for necessary construction, maintenance or reconstruction.

Strips or areas of land, of the dimensions shown on this plat and marked "R.P.U.E." (Restricted Public Utility Easement), are hereby dedicated to the public water utilities, public sewer utilities, public gas utilities and public electric utilities for the installation, maintenance, operation, engagement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of said public utility companies, trees, overhanging branches, bushes, underbrush and obstructions. No buildings, structures, fences, telephone utilities, cable television utilities or any other utilities shall be located within said areas of land. However, nothing shall prevent the use of any portion of the easement for utility service connections or crossings by any utility. Any building, structure, fence, telephone facilities (except crossings and service connections), cable television facilities (except crossings and service connections), obstructions or encroachments located within said areas of land are subject to removal by the permitted water, sewer, gas and electric utility companies without liability in the use of said easements and the permitted water, sewer, gas and electric utility companies shall not be required to replace, restore or repair any non-permitted feature, obstruction, or encroachment in the use of said easements. Nothing shall prevent the use of any portion of this easement for driveways, parking lots and sidewalks constructed with any type of material on surface and nothing shall prevent the use of any portion of this easement for crossings by storm drainage facilities.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision and to said easements for necessary construction, maintenance or reconstruction.
