GENERAL NOTES

Zoning. Subject property currently zoned C-4. Adjacent property is currently zoned as shown herein.

Flood Plain Data. Per F.I.R.M. for Vanderburgh County, Indiana Community Panel Number 180258 0050 B, dated March 19, 1982, no part of the proposed subdivision lies within the 100 year flood zone (Flood Zone A). The entire subject property does however lie within the 500 year flood zone (Flood Zone B).

The lowest floor elevation of any enclosed space (including garage) must be at least two feet above the 100 year flood elevation. This minimum floor elevation is called Flood Protection Grade (FPG). Additional information may be obtained from the Vanderburgh County Building Commissioner.

First floor grades shall be set to allow for proper drainage around buildings. All first floor grades shall conform to local and state enforced building codes. FPG has been marked on all lots near the flood plain.

Utilities. Municipal water, gas, and sanitary sewers exist on the property.

Temporary Erosion Control. (during construction)

Slopes of 0% - 6% shall be mulched and seeded with a cover crop, i.e., rye, red top, or wheat, within forty-five (45) days of disturbance of soil, which must remain in place until final grading and seeding.

Slopes of more than 6% shall be mulched and seeded and shall have straw bales and/or erosion blankets in place within five (5) days of disturbance of soil which must remain in place until final grading and seeding.

Erosion Control for Ditches.

Ditch Construction will be in accordance with the Vanderburgh County Drainage Ordinance.

Road Grades. Maximum Road Grades will not exceed 10%.

Minimum First Floor Elevation. First Floor elevations shall be approved by the Vanderburgh County Building Commissioner.

Basements. Any basements must be approved by the Vanderburgh County Building Commissioner.

Access. No Lots shall have direct access to or from SR 68 (Lloyd Expressway). Access to lots shown herein shall be from Indiana Street to the east or through an access easement over west adjacent's property described and recorded in D.D. 10, C4, 1821.

Access and Parking Easement. West 22 parking spaces are for the exclusive use of Lot E1

East 15 parking spaces are for the exclusive use of east adjacent

Agreement shall continue until July 13, 2010 or so long as the east adjacent's property is used as an Outback Steakhouse or other full service restaurant, whichever is longer

Property Corner Markers. All corners not already marked will be marked with a 5/8" diameter steel rebar with plastic cap stamped "MORLEY & ASSOC. 140021."

Storm Drainage Maintenance. Per Plan B of the Vanderburgh County Drainage Ordinance, the individual lot owner(s) shall be responsible, including financially, for maintaining that part of the storm water drainage system and its easements which exist on his or her property in proper working order including:

- Mowing grass, controlling weeds and maintaining the designated cover of the waterways, storage basins, and easements in accordance with applicable ordinances.
- Keeping all parts of the storm water drainage system operating as designed and constructed, and free of all trash, debris, and obstructions to the flow of water.
- Keeping the channels, embankments, shorelines, and bottoms of waterways and basins free of all erosion and sedimentation.
- Maintaining that part of the storm water drainage system which lies on his or her property in accordance with the conditions described on the approved street and/or drainage plans on file in the County Surveyor's Office and/or in the County Engineer's Office, and in compliance with the County Drainage Ordinance.
- Preventing all persons or parties from causing any unauthorized alterations, obstructions, or detrimental actions from occurring to any part of the storm water drainage system and easement which lies on his or her property.
- Notice: Any pipe, fence, wall, building, pool, patio, planting, stored material, excavation, fill, or other construction, improvement, addition to, or alteration of the land within a drainage easement in this subdivision requires the prior written approval of the County Drainage Board.

OWNERS' CERTIFICATE

The undersigned owners of the real estate shown and described hereon do hereby plot and subdivide said real estate as shown and designate the same as Cross Pointe Section E. All roads shown and not previously dedicated are hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and marked "P.U.E." (Public Utility Easement), are hereby dedicated to public utilities for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities shall be located within said areas of land and any fence located within said areas of land is subject to removal by a public utility without liability in the use of said easements by said utility.

Strips or areas of land, of the dimensions shown on this plat and marked "D.E." (Drainage Easement) are dedicated for conveyance of surface water and/or subsurface water; provided however, that public utilities are hereby permitted to cross such Drainage Easements with utility facilities provided, that such facilities are not placed in such manner as to impede the flow of water and further provided that such Drainage Easements may be used for ingress, egress and temporary staging areas for work by public utility so long as any damage caused to a drainage facility is repaired by the utility company. The property owner is responsible for maintenance and erosion control of said easements and shall not place landscaping, earth berms, fences or other obstructions that impede or reduce the flow of water.

Strips or areas of land, of the dimensions shown on this plat and marked "L.M. & S.D.E." (Lake Maintenance & Storm Drainage Easement) are dedicated for the maintenance of the storm drainage lake and maintenance, and storage of storm water. Any alterations to the land within these easements must have the approval of the Drainage Board. Fences may not be extended into the Lake Maintenance and Storm Detention Easement.

10' Roadway Easement located on Lot E2-

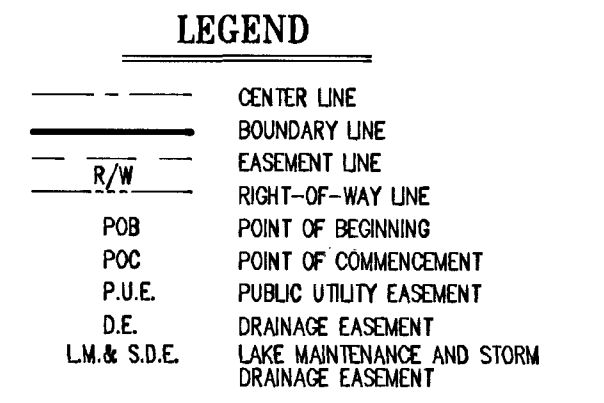

10' Roadway Easement is dedicated as a perpetual easement for roadway and utility purposes over and across Lot E2 real estate shown and is dedicated to the public.

Ingress-Egress Easement located on Lot E2-

Ingress-egress easement is a non-exclusive easement for the benefit of Lot E1 for access across Lot E2. Easement shown is for the benefit of the owners of Lot E1 as well as any invitee of Lot E1 owner. Any roadway or landscaping placed within said easement for the benefit of Lot E1 shall be maintained by the owners of Lot E1.

Owner of Lot E2 shall have the right to place signage within said ingress/egress easement. Signage may overhang any portion of the driveway constructed by the owner of Lot E1, but shall not be placed in a location which will prohibit the use by the owner of Lot E1 for ingress and egress.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision to and from said easements for necessary construction, maintenance or reconstruction.
