### Owner's Certificate

The undersigned owners of the real estate shown and described hereon do hereby plat and subdivide said real estate as shown and designate the same as Drury Minor subdivision. All additional road right-of-ways shown and not previously dedicated are hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and marked "PUE" (Public Utility Easement), are hereby dedicated for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities shall be located within said areas of land and any fence located within said areas of land is subject to removal by a public utility, without liability, in the use of said easements by said utility.

Strips or areas of land, of the dimensions shown on this plat and marked "Private waterline easement", are hereby dedicated for the benefit of the owner of Lot 1 for the installation, maintenance, operation, and repair and replacement of the existing waterline located within such easement, with the right to trim or remove, at the discretion of the owner of Lot 1, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such waterline, other existing or other future utility lines, and pavement or drives shall be located within said area of land. All costs of maintenance of the private water line shall be born by the owner of Lot 1, unless damage to the water line is caused by the owner of Lot 2 or any guests, vendors, invitees of the owner of Lot 2. Any costs associated with replacement of grass, pavement, or driveways over Lot 2 due to the maintenance or repair of the water line shall be born by the owner of Lot 1, unless such maintenance or repair is necessary due to the result or negligence of the owner of Lot 2 or any guests, vendors, or invitees of the owner of Lot 2.

Strips or areas of land, of the dimensions shown on this plat and marked "Ingress-Egress easement", are hereby dedicated for the benefit of the owners of Lots 1 and 2, their successors and assigns, their invitees, and visitors to allow them to cross over Lots 1 and 2. All maintenance and other agreements relating to the ingress-egress easement are to be set out in a future recorded document.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision to and from said easements for necessary construction, maintenance or reconstruction.

### General Notes

**Flood Plain Data:** No part of the within described tract of land lies within that special Flood Zone A as said tract plots on Community Panel No. 18163C0118D, of the Flood Insurance Rate Maps for Evansville, Vanderburgh County, Indiana, dated March 17, 2011.

**Temporary Erosion Control of Disturbed Areas:** Slopes of 0% to 6% shall be mulched and seeded with a cover crop, i.e., rye, red top, or wheat, within forty-five (45) days of disturbance of soil, which must remain in place until final grading and shaping. Slopes of more than 6% shall be mulched and seeded and shall have silt fence, straw bales and/or erosion blankets in place within five (5) days of disturbance of soil which must remain in place until final grading and seeding.

**Erosion Control for Ditches:** Slopes of 0% to 1% shall be seeded and mulched within 45 days of disturbance. Slopes of 1% to 6% shall be sodded or stabilized with an erosion control mat at completion of ditch grading. Slopes over 6% require riprap or other approved stabilization at completion of ditch grading if the total ditch length at that point is greater than 100 feet.

**Utilities:** Evansville Water is available and provided by the Evansville Water & Sewer Utilities. Sanitary sewer exists on the adjoining property at the northeast corner of the subject property and is available to be tied into by both lots of the proposed subdivision.

**Property Corner Markers:** All corners not already marked will be marked with a 5/8" diameter steel rebar with plastic cap stamped "Morley & Assoc. ID #0023" or as noted.

**Reference Survey and Basis of Bearings:** Inst #2005R00027870. There have been no change of matters from said survey that would affect the property.

**Natural Drainage Courses:** No obstructions are to be placed within any natural drainage ways that would impede the normal flow of water.

**Noise Sensitive Statement:** It is understood by the Owners that the real property, as described within, lies in close proximity to an operating airport and the takeoff and landing of aircraft may generate high noise levels.
