10840 HAWK RIDGE ROAD

EVANSVILLE, IN 47725

# **EAGLE RIDGE ESTATES SECTION FOUR**

### **GENERAL NOTES**

1. <u>Utilities:</u> Sanitary sewer and water is available provided by Evansville Water & Sewer Utility.

2. Flood Plain Data: No portion of this subdivision lies within the 1% annual chance flood zone (Zone A or AE), as said subdivision plots by scale on Flood Insurance Rate Map (FIRM) Panel number 18163C0109D & 18163C0108D effective March 17, 2011.

3. Lot Drainage: Individual lot owners are responsible to construct and maintain respective lot grades in such a manner as to allow stormwater runoff from abutting lots to flow freely to drainage swales or street curbs.

4. Lot Access: All lots must access internal streets only. 5. Road Grades: Maximum road grades will not exceed 10.5%.

6. Temporary Erosion Control: (during construction)

For subdivisions where the land disturbance is in excess of one acre, a Storm Water Pollution Prevention Plan must be submitted in accordance with Vanderburgh County Code Title 13.05 Construction Site Storm Water Runoff Control.". All temporary and permanent erosion control measures must be implemented as described in the Storm Water Pollution Prevention Plan for the project site. For subdivisions where the land disturbance is less than one acre, temporary stabilization as described in section 13.05.11.C.16 of the Vanderburgh County Code must be provided if unvegated areas are scheduled or likely to be left inactive for 15 days or more. When land disturbance activities have been completed final stabilization shall be completed as described in section 13.05.11.C.20 of the Vanderburgh County Code.

7. Maintenance Statement The owner(s) shall remain responsible for prevention of obstructions to creeks and natural surface watercourses. No obstructions are to be placed within any natural drainage ways No pipes shall be placed in the 30' Drainage Easement without prior approval of the Vanderburgh County Drainage Board.

8. Property Corner Markers: All corners not currently marked will be marked with a 5/8" iron rod with a plastic cap labeled "KIESEL LS 20800145"

9. Drainage Facility Maintenance: The individual Lot Owner shall be responsible. financially and otherwise, for maintaining the portion(s) of the storm water drainage system, and Drainage Easements (DE), which exist on his or her property in working

"Mowing grass, controlling weeds, and maintaining the designed cover for the waterways, storage basins, and easements in accordance with applicable ordinances.

"Keeping all parts of the storm water drainage system operating as designed and constructed; and free of all trash, debris, and obstructions to the flow of water.

"Maintaining that part of the storm water drainage system which lies on his or her property in accordance with the conditions described on the approved street and/or drainage plans on file in the County Surveyor's Office, and/or in the County Engineer's Office, and in compliance with the County Drainage Ordinance.

(E) "Preventing all persons or parties from causing any unauthorized alterations. obstructions, or detrimental actions from occurring to any part of the storm water drainage system and easement which lies on his or her property.

"The Repair Fund established for this Project will pay the costs of repairing structural failures in the storm sewer pipes, pipe collars, drop boxes, aprons, inlets, manholes, junction boxes, and the piped or paved outlet structures of the storm water control basins all of which are parts of the approved and constructed storm water drainage system shown on the as-built plans for this Subdivision; and which are in drainage easements and outside of the county accepted road rights—of—way as shown on the plat of this subdivision. The storm sewers covered by the repair fund for this project were accepted by Vanderburgh County on May 19th, 2009. These storm sewers were accepted as a part of Eagle Ridge Estates Section One. Any driveway culverts required for accessing any lots are not covered by the repair fund.

(G) "NOTICE: Any pipe, fence, wall, building, pool, patio, planting, stored material, excavation, fill, or other construction, improvement addition to, or alteration of the of the land within a drainage easement in this subdivision requires the prior written approval of the County Drainage Board."

10. Application for Modification/Waiver of Subdivision Standards: APC Docket Number 15-SW-2016 requesting to waive the installation of sidewalks, as per County Code 16.12.020 (B) (2), was approved by the County Commissioners at a meeting on July 19th, 2016.

11. Mailbox Statement: No brick or non-breakaway mailbox structures may be placed in the County rights—of—way.

12. Building Envelope Statement: A residential site plan for each individual lot must be provided prior to the start of construction showing that crossing of the drainage easements would not be required or a final drainage plan will need to be submitted and approved by the County Drainage Board showing pipe sizes for any crossings of the ditch and/or drainage easements.

13. Noise Sensitive Statement: The owner and subdivider of this property along with the future owners of all lots within this subdivision acknowledge for themselves, their heirs, their successors and their assigns, that the real estate described on this subdivision plat experiences or may experience significant effects from aircraft operations, and that dwellings constructed within this subdivision should account for increased noise levels, with full knowledge and acceptance of the aircraft operations as well as any effects resulting from the aircraft operations.
