OWNER'S CERTIFICATE

We, the undersigned owners of the real estate shown and described hereon, do hereby as shown plat and subdivide said real estate and designate same as KRISTINA OWENS SUBDIVISION Building setback lines are established as shown on the plat between which lines and the property of the street there shall not be erected or maintained any building or structure. Strips of ground, of the width shown on the plat and marked "Public Utility Easement", are hereby dedicated to public utilities for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove at the discretion of the public utility, trees, overhanging branches, bushes, underbrush, and obstructions. No structure other than said utility facility shall be located within said strips of ground and any fence located within said strips of ground is subject to removal by a public utility, without liability, in use of said easements by said utility.

Strips or areas of land, of the dimensions shown on this plat and marked "D.E." (Drainage Easement) are dedicated for conveyance of surface water and/or subsurface water, provided however, that public utilities are hereby permitted to cross such Drainage Easements with utility facilities provided, that such facilities are not placed in such manner as to impede the flow of water and further provided that such Drainage Easements may be used for ingress, egress and temporary staging areas for work by public utility so long as any damage caused to a drainage facility is repaired by the utility company. The property owner is responsible for maintenance and erosion control of said easements and shall not place landscaping, earth berms, fences or other obstructions that impede or reduce the flow of water.
