

**General Notes**

Flood Plain Data: Per F.I.R.M. Panel Number 180256 0050B dated August 5, 1991, Vanderburgh County, Indiana, no portion of this subdivision lies within the designated 100 year flood zone.

Bench Mark data:  
 BM#1 - PK Nail at intersection of Royal Ave. & Virginia Street Elev. = 387.68  
 BM#2 - Top bolt on fire hydrant at NW corner of Royal Ave. and Virginia St. Elev. = 390.37

Temporary Erosion Control: (during construction)

Slopes of 0% to 6% shall be mulched and seeded with a cover crop, i.e., rye, red top, or wheat, within forty-five (45) days of disturbance of soil, which must remain in place until final grading and shaping.

Slopes of more than 6% shall be mulched and seeded and shall have straw bales and/or erosion blankets in place within five (5) days of disturbance of soil which must remain in place until final grading and seeding.

Erosion Control for Ditches:

Slopes of 0% to 2% shall be mulched and seeded within 45 days of disturbance. Slopes of 2% to 8% shall be sodded or stabilized with an erosion control mat at completion of ditch grading.

Slopes over 8% require riprap or other approved stabilization at completion of ditch grading if the total ditch length at that point is greater than 100 feet.

At the time of recording of this plat, the Building Commissioner has determined the MFF elevation to be 390 MSL. Prior to the placement of any structures on lots within this subdivision, the Building Commissioner's Office must be contacted to confirm that the MFF shown has not been modified based on new or updated hydraulic information. Actual first floor elevations may need to be higher in order to provide proper drainage around the structure.

Basements: Any basements must be approved by the Vanderburgh County Building Commissioner.

Water Detention Requirements

The owner(s) of each individual lot shall design and construct a storm water detention system on their site to limit the discharge to a runoff coefficient of 0.20 (rational method) and present the hydraulic calculations and construction details of the required detention to the Vanderburgh County Surveyor and the Vanderburgh County Building Commissioner at the time a building permit is requested.

**Owner's Certificate**

The undersigned owners of the real estate shown and described hereon do hereby plat and subdivide said real estate as shown and designate the same as Metro Centre East Section 10 Minor Subdivision. All Roads Shown and not previously dedicated are hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and marked P.U.E. (Public Utility Easement), are hereby dedicated for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities shall be erected within said areas of land and any fence located within said areas of land is subject to removal by the Drainage Board or public utility without liability in the use of said easements.

Strips or areas of land, of the dimensions shown on this plat and marked Sanitary Sewer Easement, are hereby dedicated to public utilities for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities shall be located within said areas of land and any fence located within said areas of land is subject to removal by a public utility without liability in the use of said easements by said utility.

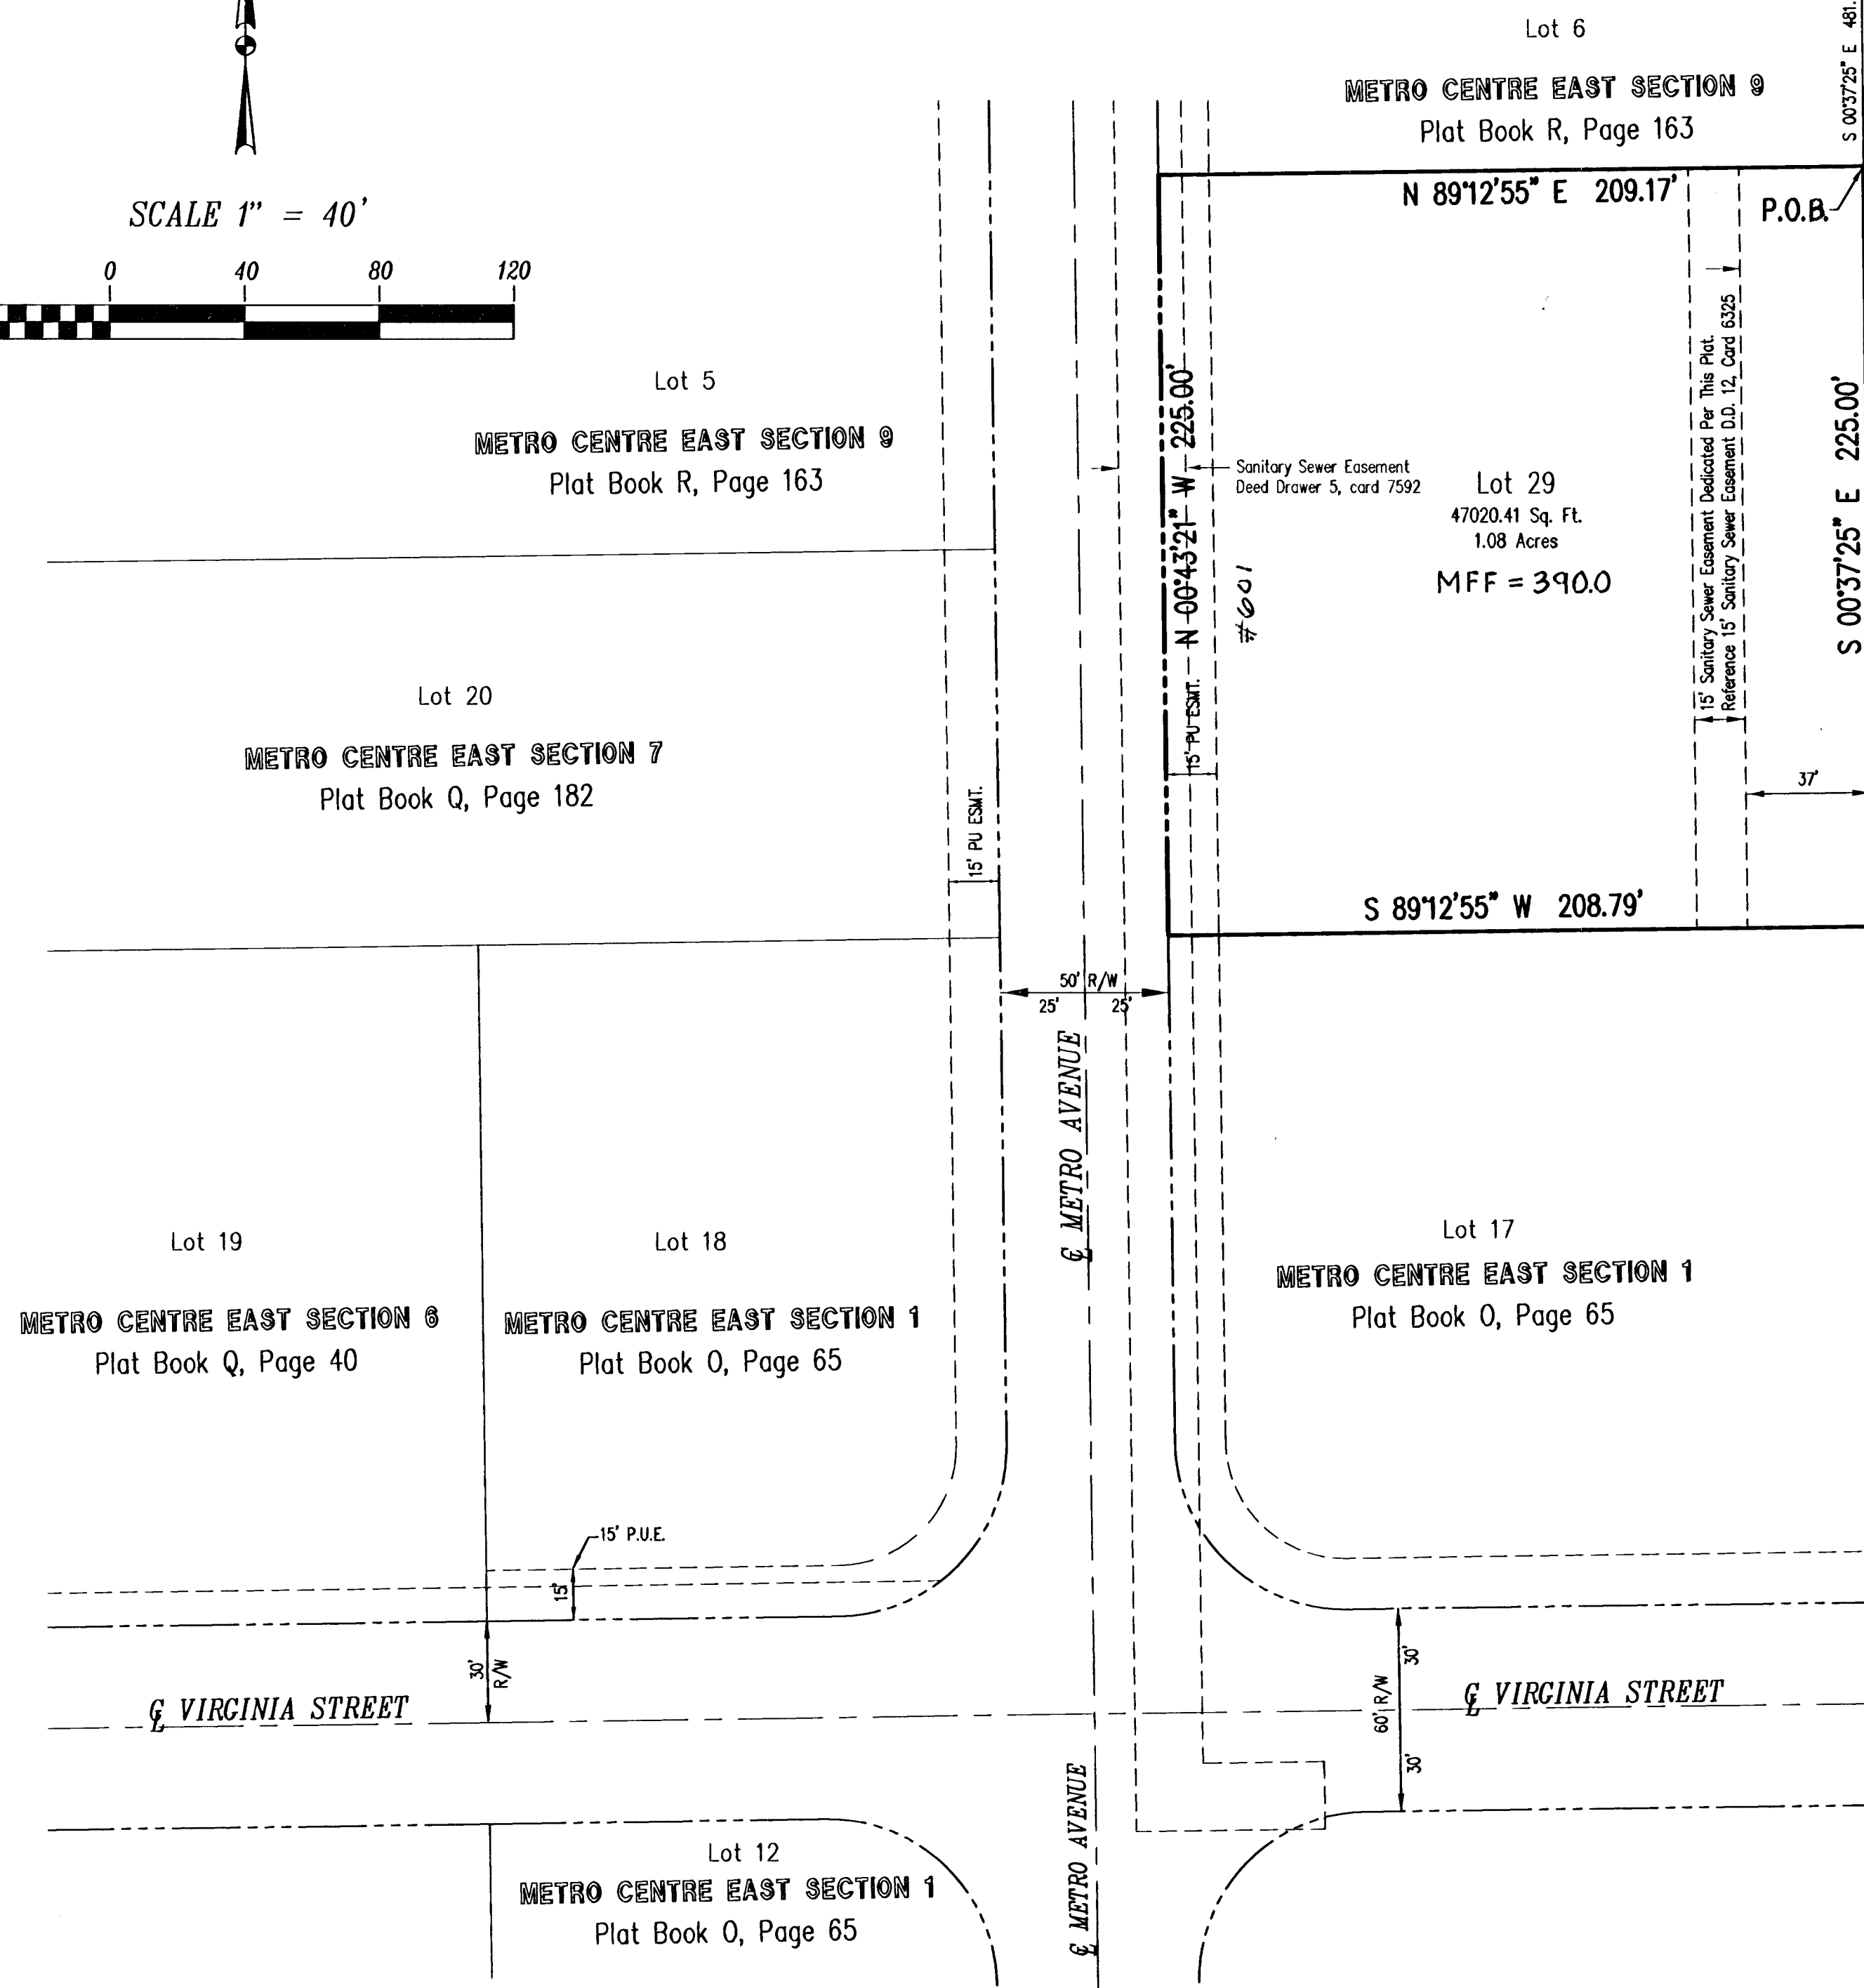

The Sanitary Sewer Easement shown as recorded in Deed Drawer 12, Card 6325 is rededicated in the correct location per this plat.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision to and from the easements for access to facilities for installation, maintenance, operation, enlargement, repair or reconstruction.
