

METRO CENTRE EAST SECTION 6

RECEIVED FOR RECORD
 2:48 P.M.
 SEPT 16 1999
 Plat Book Q-40
 BETTY J. HERMANN RECORDER
 VANDERBURGH COUNTY
 19990031145

General Notes

Zoning: The subject property is zoned C-4; abutting property is zoned C-4.

Flood Plain Data: Per F.I.R.M. Panel Number 180256 0025 C, dated August 5, 1991, Vanderburgh County, Indiana, no portion of this subdivision lies within the designated 100 year flood zone.

Bench Mark data:
 BM#1 - PK Nail at intersection of Royal Ave. & Virginia Street Elev. = 387.68

BM#2 - Top bolt on fire hydrant at NW. corner of Royal Ave. and Virginia St. Elev. = 390.37

Temporary Erosion Control: (during construction)

Slopes of 0% to 6% shall be mulched and seeded with a cover crop, i.e., rye, red top, or wheat, within forty-five (45) days of disturbance of soil, which must remain in place until final grading and shaping.

Slopes of more than 6% shall be mulched and seeded and shall have straw bales and/or erosion blankets in place within five (5) days of disturbance of soil which must remain in place until final grading and seeding.

Erosion Control for Ditches:

Slopes of 0% to 2% shall be mulched and seeded within 45 days of disturbance. Slopes of 2% to 8% shall be sodded or stabilized with an erosion control mat at completion of ditch grading.

Slopes over 8% require riprap or other approved stabilization at completion of ditch grading if the total ditch length at that point is greater than 100 feet.

Minimum First Floor Elevation(F.P.G.): Has been established by the Vanderburgh County Building Commissioner as shown hereon.

Basements: Any basements must be approved by the Vanderburgh County Building Commissioner.

Water Detention Requirements
 The owner(s) of each individual lot shall design and construct a storm water detention system on their site to limit the discharge to a runoff coefficient of 0.20 (rational method) and present the hydraulic calculations and construction details of the required detention to the Vanderburgh County Surveyor and the Vanderburgh County Building Commissioner at the time a building permit is requested.

UTILITIES ARE AVAILABLE AT SITE.

Owner's Certificate

The undersigned owners of the real estate shown and described hereon do hereby plat and subdivide said real estate as shown and designate the same as Metro Centre East Section 6. All roads shown and not previously dedicated are hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and marked P.U.E. (Public Utility Easement), are hereby dedicated for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities shall be erected within said areas of land and any fence located within said areas of land is subject to removal by the Drainage Board or public utility without liability in the use of said easements.

Strips or areas of land, of the dimensions shown on this plat and marked P.U. & U.G.D.E. (Public Utility and Underground Drainage Easement), are hereby dedicated for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, and for underground storm sewers, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities or drainage pipes shall be erected within said areas of land and any fence located within said areas of land is subject to removal by the Drainage Board or public utility without liability in the use of said easements.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision to and from the easements for access to facilities for installation, maintenance, operation, enlargement, repair or reconstruction. The party exercising such rights of ingress and egress will use all diligence to not disturb property and will be responsible for any direct damages it causes outside the easements.
