General Notes

- Access:** Lot shall have access to Burch Drive. The existing SR 57 entrance shall only be used as a construction drive and shall not be used for any other activity including regular plant operations, etc. If any improvements are to be made to the entrance in the future, i.e. widen the drive, relocate, etc. then a permit will need to be acquired from INDOT and the plans will need to return to Site Review through the Evansville-Vanderburgh Area Plan Commission office.
- Basements:** Any basements must be approved by the Vanderburgh County Building Commissioner.
- Flood Hazard Statement:** No portion of the site is located in Flood Hazard Zone A as said tract plots by scale on Flood Insurance Rate Map for Vanderburgh County Indiana, Map Number 18163CD116D, Panel 116 of 275, Effective March 17, 2011. All first floor grades shall conform to local and state enforced building codes.
- Notes Sensitive Statement:** The owner and subdivider of this property along with the future owners of all lots within this subdivision acknowledge for themselves, their heirs, their successors and their assigns, that the real estate described on this subdivision plat experiences or may experience significant effects from aircraft operations, and that dwellings constructed within this subdivision should account for increased noise levels, with full knowledge and acceptance of the aircraft operations as well as any effects resulting from the aircraft operations.
- Property Corner Markers:** All corners not already marked will be monumented with a 5/8" diameter iron rod with plastic cap stamped "Morley & Assoc I.D. #0023."
- Reference Survey:** This Plat is based on a Survey by Morley and Associates, Inc. per Project Number 1748 and Dated September 9, 1999.
- Application for modification/waiver of subdivision standards:** APC Docket Number 2-SW-2016 requesting to waive the installation of sidewalks, as per County Code 16.12.020 (B)(2), was approved at Subdivision Review on 01/11/2016.
- Temporary Erosion Control (during construction):** For subdivisions where the land disturbance is in excess of one acre, a Storm Water Pollution Prevention Plan must be submitted in accordance with Vanderburgh County Code Title 13.05 "Construction Site Storm Water Runoff Control". All temporary and permanent erosion control measures must be implemented as described in the Storm Water Pollution Prevention Plan for the project site. For subdivision where the land disturbance is less than one acre, temporary stabilization as described in section 13.05.11C.16 of the Vanderburgh County Code must be provided if unvegetated areas are scheduled or likely to be left inactive for 15 days or more. When land disturbing activities have been completed, final stabilization shall be completed as described in section 13.05.11C.20 of the Vanderburgh County Code.
- Utilities:** Sewer is available at the site by the Evansville Water and Sewer Utility. Water is available at the site by the Evansville Water and Sewer Utility. Electric and Gas are available at the site by Vectren Energy Delivery. Telephone service is available at site AT&T.
- Vacated Easements:** The easements located on Lots 7, 8, 9, 10 & 11 in Burch Industrial Park Chal Addition and Lot 5 in Burch Industrial Center were Vacated by an Ordinance recorded in Deed Drawer 7, card 2685 - A 24' P.U. & D.E. on Lot 4 of Burch Industrial Center was Vacated by an Ordinance recorded in Deed Drawer 1, Card 19304.
- Zoning:** The subject property is currently zoned M2.
- Natural Drainage Courses:** No obstructions are to be placed within any natural drainage ways that would impede the normal flow of water.
- Drainage Basins:** Maintenance of the drainage basins shall be the responsibility of the property owner, not Vanderburgh County.

Owner's Certificate

The undersigned owner of the real estate shown and described hereon, do hereby plat and subdivide said real estate and designate same as **Wabash**.
 All additional road rights-of-way shown and not previously dedicated are hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and marked "W.E." (Water Easement), are hereby dedicated to the CITY OF EVANSVILLE, INDIANA WATER AND SEWER UTILITY DEPARTMENT, its successors, assigns and lessees, a permanent water utility easement and right-of-way over the Real Estate shown herein, for the purpose of granting and facilitating the right to lay, construct, inspect, maintain, operate, repair, alter, relocate, enlarge, rebuild and remove one or more pipelines, transmission media, and all appurtenant and necessary structures, whether above or below the surface, convenient or necessary to transport and otherwise handle domestic potable water, and perform and facilitate such utility services over, along, across, within and upon the Real Estate, together with the right of ingress and egress over the existing roads and entrances to the lands of Grantor to and from said Real Estate in the exercise of the rights herein granted; provided that in the exercise of such rights, the Grantee will, whenever practicable to do so, use regularly established highways or roadways for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No structures other than such utility facilities shall be located within said areas of land and any fence located within said areas of land is subject to removal by a public utility, without liability, in the use of said easements by said utility.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision to and from said easements for necessary construction, maintenance or reconstruction.
